**Re: United States v. Alexandre Regis  
23 Mag. 5286 (UA)**

SO ORDERED.

  
Jennifer E. Willis  
United States Magistrate Judge

July 28, 2023

Dear Judge Willis,

I write in furtherance of our previous correspondence regarding Mr. Regis's location monitoring condition in the above-captioned matter. Earlier this week, Mr. Regis attended and completed an intake evaluation with a mental health provider contracted through Pretrial Services. Mr. Regis is now enrolled in individual therapy with this provider, and his treatment schedule will be determined by his provider and Pretrial Services.

Mr. Regis's co-signers have also been sworn to his personal recognizance bond. Accordingly, we submit that Mr. Regis has satisfied all the preconditions that were set at his presentment and we respectfully request that his location monitoring condition be removed. The Government does not object to this request.

We can provide additional information if the Court has any questions.

Respectfully submitted,

/s/
